抗MDM2抗体

Anti-MDM2 (phospho S185

货号：RB9A37001041

产品描述

中文名称

Anti-MDM2 (phospho S185)抗体

英文名称

Anti-MDM2 (phospho S185) antibody

别名

E3 ubiquitin-protein ligase Mdm2 Double minute 2 protein Oncoprotein Mdm2 RING-type E3 ubiquitin transferase Mdm2 p53-binding protein Mdm2 Hdm2 MDM2

靶点符号

MDM2

产品类型

一抗

关键信息

宿主种属

Rabbit

克隆

Polyclonal

亚型

IgG

不含载体蛋白

No

反应种属

Human

应用

WB

免疫原

Synthetic Peptide within Mouse Mdm2 pS185 aa 150 to C-terminus. The exact immunogen used to generate this antibody is proprietary information.; P23804

特异性

This affinity-purified antibody is directed against the phosphorylated form of mouse MDM2 protein at the pS185 residue. Reactivity occurs against Mouse MDM2 pS185 protein and the antibody is specific for the phosphorylated form of the protein. Reactivity with non-phosphorylated mouse MDM2 is minimal by ELISA and western blot. A BLAST analysis was used to suggest minimal cross reactivity with MDM2 homologues from other sources.

浓度

1 mg/mL

反应性数据

应用	应用代码	物种	验证状态	推荐稀释
Western blot	WB	Human	已验证	1/500 - 1/2000

Affinity purification Immunogen

纯化说明

This affinity-purified antibody is directed against the phosphorylated form of mouse MDM2 protein at the pS185 residue. The product was affinity purified from monospecific antiserum by immunoaffinity purification. Antiserum was first purified against the phosphorylated form of the immunizing peptide. The resultant affinity purified antibody was then cross-adsorbed against the non-phosphorylated form of the immunizing peptide.
